**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is important for me to support my local economy by being able to be served by LMI.net Internet service, rather than a larger competitor. Eliminating their ability to operate is unfair and would be detrimental to our local economy. Please don't wrongly place power in the hands of one or two big-name players - that is not the spirit that defines this country. Please say NO to AT&T's unfair petition. Thank you.
